BUNGALOWS

TZABCAN BUNGALOWS is your home in Chelem, we are a small hotel with 5 comfortable bungalows. We are located 15 minutes from Progreso and 30 minutes from Mérida. We have the best seafood restaurant a street away from us and attract guests seeking comfort and tranquility, within a beautiful garden full of tropical trees and plants, a refreshing pool and a large *palapa*.

The project is inspired by the conservation of the Yucatan rattlesnake (*Crotalus Tzabcan*); represented in the architecture and iconography of the Mayan cities and a fundamental part of Yucatan's fauna.

Our bungalows, named with picturesque nicknames, give you the comfort of having a separate air-conditioned bedroom, your own kitchen, a small living room and a private terrace. The bedrooms are clean, with queen beds and full bathrooms; also have television and wifi.

The garden is designed to provide a pleasant and fresh stay every day of the year. We have 24 hour security and we are Pet Friendly.

We are focused not only on the quality of the service, but also on developing activities that benefit the planet.

We offer a good price, an excellent service and an unforgettable stay full of magic, nature and Mexican culture.
